Upon approval of the application, IPC Alpine Skiing Sport Technical Committee will include the races in the IPCAS Calendar. The Organizer must send the event information to their National Ski Federation which must liaise with FIS Secretariat in order to obtain the necessary Codex for the races. This will activate the races to be on the FIS Calendar (DAR Category) as well. It is mandatory to obtain the FIS Codex in order to be included in the IPCAS Calendar.

The LOC will receive a separate agreement according to the level of IPCAS race.
